Reclaim Your Rain: Rain Garden Workshop in Roswell (Calendar Entry)

February 7- City of Roswell 6:30 PM

The Clean Water Campaign has partnered with local governments and the University of Georgia Cooperative Extension Service to present a workshop on constructing a rain garden. Rain gardens work by capturing run-off from your roof or drive way and diverting it to gardens and low-lying areas to slowly soak into the soil. To register for the workshop call Kelley O'Brien at 404-463-3259 or go online to www.cleanwatercampaign.com. The workshop will take place at Roswell City Hall located at 38 Hill Street, Roswell, GA 30045 at 6:30 PM.

*The **Clean Water Campaign** is a cooperative, multi-agency public education initiative spearheaded by local governments in metro Atlanta, supported by the Metropolitan North Georgia Water Planning District and managed by the Atlanta Regional Commission. Its mission is to build awareness of water quality problems and solutions in the Atlanta region. For more information about the Clean Water Campaign, contact Kelley O'Brien at 404-463-3259.*
